BALTIMORE & OHIO LAKE COAL TO PASS OVER THE SHEEPSKIN.

New Order Will Result in Double Tracking of Road Between Connellsville and Fairmont.

ALSO THE CRAFTON DIVISION

Will Mean Many Additional Crows With Layovers in Connellsville and Possibly Enlargement of the Local Roundhouse.

Special to The Courier.
FAIRMONT, Dec. 10.—Plans have been adopted, the money appropriated, and engineers of the Baltimore & Ohio Railroad Company are at work upon the details of improvements which, when completed, will change the routing of coal from the great Fairmont fields to the lakes from the Wheeling to the Pittsburgh division. To make the necessary changes in the roadbed and the junctions for the move much money will be expended and it is estimated that over two millions will be spent by the company in an area of which Fairmont and Connellsville are the centers.

According to the plans, the line between Fairmont and Connellsville is to be double tracked to make them capable of handling such a large amount of traffic. From Connellsville, through Pittsburgh to the lakes the company has two and three tracked divisions and little improvements along these lines are needed. Since its construction the Sheepskin, as the Connellsville-Fairmont branch is known, has been single track and it has been only during the past few years that it has been put in condition for heavy traffic.

So far none but the engineers and bridge men of the company have been at work on the improvement. Last summer workmen began to rebuild the bridges between Fairmont and Crafton so that they will accommodate two tracks and they are still on the job. At present a large force is putting in a new viaduct over a run a short distance above the Johnstown bridge. Assistant Engineer Paul Dier, who has jurisdiction over the Fairmont and Pittsburgh divisions, is at present going over his line, making the necessary preparations to reconstruct all of the bridges between Connellsville and Fairmont and this work will be taken up just as soon as the bridges on the Crafton are completed.

Working secretly and without notification, a large engineering force under Mr. Woods has been in Fairmont for a number of weeks working on details of the changes. Since the announcement that the Western Maryland was to invade Connellsville, the corps was moved to that town for a short stay, but will return to Fairmont in a few weeks.

According to the report, the plan of the company is to extend the Baltimore branch through the West Ward and connect with the main line at the East End. Over the road all of the traffic from the East, bound for Pittsburgh and the lakes will be diverted. The road from the Fairmont region toward the west is to be brought into the present end of the company and then made up in the West End over the Sheepskin via the West bridge.

To accommodate the extra traffic which will be sent by Fairmont, the local yards will have to be greatly increased and already plans for this work are under way. So far nothing definite has been given out as to the probable locations of the new tracks but it is said that there is ground adjacent that can be secured by the company.

The change of the routing, when put in operation, will greatly reduce the congestion on the Wheeling division which is now overcrowded with freight and passenger traffic. The lake coal shipments have, in the past, seriously congested the line which is single track and it has been a problem with the company as to how to meet its "Q. D." and passenger train over on their schedule. The change will give up the line almost entirely to the through freight and passenger cars and will guarantee better service in its pattern.

Our Female Prisoner.
The only arrest made during the cold night was by Officer P. M. Rull, who nabbed Ella Dixon of a N. Y. address. She was carrying a large second package of boxes, both inside and out. She was arrested with a warning by Rull. Evans has been in.

OIL AND GAS GRANT.

Has Been Secured on the Famous Old Fordyce Hermitage.

John P. Gump and J. W. Becker of Uniontown, together with Greene and Fayette county associates, have secured a very valuable oil and gas grant from Jerome Fordyce of Smithfield, Fayette county. This tract of land being the old R. B. Fordyce farm, is known as the Indian Reservation, situated one and one-fourth miles southwest of Smithfield in the basin of Yorkville.

WATER AND CARS SHORT IN THE LOWER DISTRICT

Freezing Weather Has Dried Up Supply, Except at the Frick Company Plants.

Two kinds of shortages occurred this morning. One was a car shortage that affected the entire coke region and the other was a water shortage that affected the lower Connellsville coke region. Practically the only company having a never failing water supply in the lower district is the H. C. Frick Coke Company, where the plants are supplied by the Trotter Water Company. A portion of this supply comes from the Youghiogheny river and a portion from the Monongahela river with the Huron pumping station.

All the small surface streams are frozen solid in the lower end of the county and the Frick operators, of which there are a large number, lost all hope of pulling their coke today. Owing to the cold weather the car shortage was more pronounced than for many weeks and the special agents of the companies were out in large numbers doing yard duty in keeping the supplies moving.

COMMISSION AGENTS ARE MAKING TESTS

Interstate Commerce Inspectors Are at Work on the Sand Patch Grade Case.

Representatives of the Interstate Commerce Commission are keeping their eyes on the railroad situation in this territory, and have been holding railroads and railroad men to the strict letter of the law. Railroaders have started to complain about the situation and are not so very enthusiastic over the law as they were before it went into force.

This week the inspectors have been busy on the Sand Patch grade watching the air brake conditions. Trains are allowed to operate with 75 per cent of air cars in the train. The commission, in view of the fact that a dispute is on in making experiments of its own. Whatever deductions that are being made will be used as evidence in settling how many cars can be taken safely down the Sand Patch hill.

A CHANGE OF BEATS FOR THE POLICEMEN

Has Been Arranged by Chief Rottler to Go Into Effect on Sunday.

The last assignment of beats for the policemen for the present year has been arranged by Chief Rottler and will go into effect on Sunday. Officer P. M. Rull will assume the position of bucket and guard Belinstone corner during the day. Officer Thomas McDonald has held down this task for the past several weeks, dotted the hitting winter weather and gave general satisfaction. He will go on night duty, beginning Sunday.

The day policemen will be Rull and George Francis, the latter being assigned to the West Side. Officer R. L. Stillwagon goes on night duty on the West Side. The other night policemen, working from P. M. 12 to A. M., will be McDonald, Starn, J. J. Francis and O'Brien. Officer John A. Lowe will work from noon until midnight.

WORKMEN TO BE PAID IN FULL FOR CHRISTMAS.

Coke Companies Have Office Forces Busy Checking Up Pay Rolls So They Will Be Up to the Minute—Big Sums Will Be Paid Out.

Pay roll clerks of the H. C. Frick Coke Company are busy at work checking up the pay of every employee. The usual custom of paying every man of the company on December 24 for all his work is to be carried out this year. In the past 10 years the company has never failed to pay its employees up until the last minute of their working time just prior to Christmas and this year there will be no exception.

Every man in the employ of the

company will receive on the day before Christmas all his money. It is an exceptionally hard job to get the rolls completed and the clerks have been working overtime in order to keep the accounts checked up.

When it is considered that there are 20,000 employees and almost every one of them making different salaries, and that all of these will have to be checked upon the books and the money placed in envelopes, some magnitude of the task is apparent.

Companies that will be paying out large sums are the Baltimore & Ohio Railroad, the Pennsylvania Railroad Company, the H. C. Frick Coke Company, the Connellsville Machine & Car Company, the Connellsville Manufacturing & Mine Supply Company, Boyts, Porter & Company, the American Sheet & Pipe Company, the Scottsdale and a large number of smaller operations. In some quarters it is stated that half a million dollars will be paid prior to Christmas day.

SMALL CASES TAKE UP TIME IN COURT.

Grand Jury Unable to Return Bills Fast Enough to Keep Up Pace.

WILL COME TO EARLY END

Not Believed That It Will Take More Than Three Days Next Week to End List—Shipley in Shadow of Long Term in Penitentiary.

UNIONTOWN, Dec. 10.—Small cases occupied the mind of the court today and matters are dragging to come extent. The Grand Jury is not turning out true bills as fast as the two courts clear up those on hand and during the morning in both rooms some time was just waiting for cases to try. It is not believed that more than three or four days will be required next week to clear up the trial list.

William Shipley of Connellsville stands in the shadow of a long term in the penitentiary. He pleaded guilty to robbing J. E. Zimmerman of a watch and some money last Sunday. This is his second offense and the court sentenced him that if he turned the hat of justice again he would probably receive the 30-year sentence to the penitentiary that can be made in such cases. Shipley was then sent to the workhouse for 18 months.

Fred Tamm, aged 68, a resident of Springfield township, was acquitted of a larceny charge because of insanity. A. B. Kern, S. Prusker and H. C. Tamm testified that he stole corn from their fields. Tamm declared in his defense that he did not know the corn he stole and the jury did not think so. Those sitting in the case, however, decided Tamm was not mentally balanced.

Charles Wright, a Uniontown negro, pleaded guilty to selling cocaine and was given the maximum sentence of six months to jail and costs. The court expressed regret that a greater sentence could not be imposed but Wright apparently lost interest while the discussion of the probabilities of a new law covering this was made by the court.

Bernard Page was placed on trial before Judge Van Swearingen charged with assault and so forth. It appears that Bernard is accused of making improper advances towards several of the white girls. They were Gertrude Bord, Susie Bord, Mary Marle and Anna Franks. Their ages range from 10 to 13 years.

The girls told of receiving taffy and candy from Page, the negro, after which he made improper proposals to them. Only once did he lay hands on any of them. He grabbed Mary Marle by the arm one day but she broke away from him. Archie Hall, superintendent of the works at O'Leary, told of seeing Page near the girls at various times. The court appointed Attorney J. Kirk Remick to defend Page.

NATIONAL BANKS HAVE VIOLATED THE LAW

Over 900 of Them Are Liable to Lose Their Charters—Directors Responsible.

WASHINGTON, Dec. 10.—Nearly nine hundred banks in the country have been warned by the Comptroller of the Currency that they are violating the law, and liable to forfeit their charters, and that directors will be held responsible. They are charged with making loans to individual borrowers in excess of ten per cent of their capital stock.

In 1896, according to the report of the Comptroller of the Currency made public today, over half the national banks have violated the law in this respect.

Councillman J. P. Kooner left today for Mt. Clemens, Mich., where he will take treatment for rheumatism. He expects to be absent for two or three weeks.

RED CROSS STAMPS.

Sale Will Begin Today, Supply Received by Board of Trade.

The sale of the American Red Cross stamps will begin today as the supply was received by the Charity Committee of the Chamber of Commerce this morning. There are 5,000 of the stamps on hand and it is expected that these will be disposed of within a short time. Last year 7,000 of these stamps were disposed of in Connellsville and it is expected that this number will be exceeded.

The receipts from the sale of these stamps are devoted towards waging war upon tuberculosis. Millions of the stamps are disposed of annually throughout the country.

STORY TOLD TO DISCREDIT COOK.

Stated That Danish Experts Will Not Take Cognizance of Loose Story.

EXPLORER NOT IGNORANT

Convinced Danes That He Was Well Versed in Making Observations While Loose Says He Knew Nothing of the Science—Wallace for Cook.

United Press Telegram.

COPENHAGEN, Dec. 10.—Professor Ellis Stromgren, expert in astronomy, who will preside over the committee to investigate Dr. P. A. Cook's North Pole data, intimated today that the affidavits of Captain A. W. Loos and George Dunkle will fall of their own weight for asserting that Cook was ignorant of astronomical observations.

He said that Dr. Cook talked to numerous Scandinavian scientists and satisfied them as to his competency. The belief is general that a widespread conspiracy exists to discredit Dr. Cook.

The Politician says an unknown Greenland, known to be Knud Rasmussen, had received letters asking him to denounce Cook and hints that a financial reward was offered.

Walton Lonsdale, Cook's secretary, said Cook was tricked into believing Loos was an expert astronomer and detailed his record to him for an expert opinion. He said he withdrew the records in a few days on account of Loos's incompetency.

MERGER EFFECTED.

Continental Telephone Company Absorbs the American Union.

The American Union Telephone Company has been absorbed by the Continental, the big mother of telephone and telegraph interests having been completed in New York Wednesday. Fayette county people's efforts to prevent the merging of their holdings in the Tri-State Company, which is one of the telephone lines involved, seem to have been for naught.

Despite the fact that a temporary injunction has been granted in the local courts restraining the transfer of the stock to the Continental or any other company until after the hearing the consummation of the big deal was carried through. Whether there was any attempt made to transfer the holdings of the local people made has not been definitely learned.

TRIBUTE TO AGED AT BAPTIST CHURCH.

Services Yesterday Afternoon Had No Equal in Town's History.

THE MEETINGS LAST NIGHT

Dr. Mahood at the Methodist Episcopal Church in North District Preached on Christ Against the World. Afflictions God Sends.

Of all the meetings which have been held during the campaign of the past two weeks and more the service of tribute to the aged, to the grandfathers and grandmothers, to those who are nearing the end of the journey, at the First Baptist Church last night was without doubt the most impressive and the one which will linger longest in the memories of those who were present. Never before has such a meeting been held in Connellsville. Long before the hour of service, cars were driving up to the Baptist Church bringing their precious burdens, and in spite of the cold wave the church was well filled with those bearing their "threefold years and ten." At a brief song service led by Mr. H. H. H. and a good sized choir, Dr. Ostrom took charge of the service reading the 23rd Psalm, giving a beautiful exposition of the familiar words of this immortal poem. Mr. H. H. H. then sang "The Land Where We Never Grow Old."

Before beginning his address Dr. Ostrom pointed out to his hearers that this meeting was not intended as an occasion for sadness or condolences, but was a time for rejoicing with the yearlong warriors of the faith gathered there.

"You are not here to be told of your declining years," said he, "nor of the setting sun." But that you are living the best days of your life. Old age is the crown of life.

"Why, a 'God bless you' and a pat on the head from some grandfather is worth 40 of my sermons, while a prayer of grandfather's is worth a hundred of my sermons."

"Perhaps you say you can't do the things you set to do, but let me tell you grandfather, grandfather, if you can't do anything else, just shine, shine, shine. Haven't you seen these little invalid lamps that burn steadily all through the long night in the sick room? They don't sputter and toss but they do an awful lot of good."

"Have you ever thought when you saw the captain of the ship strutting around in his uniform and asking all the glory that it was not he but the stoker shoveling coal into the furnace who made the ship 207 Old folks are stokers. Young folks strut around on deck and take the glory, but you fire them up with your prayers, just keep on shining, grandfather, grandmother, and you'll be a blessing to everyone around you."

"Is there advent in the world to whom we owe more than to old people? Stay near us long as you can, we need you. We need to profit by your vast counsel and long experience. And may heaven refresh you today. O pilgrims, as you go down the long dusty road and may you have a triumphant old age, though God, until He shall say, 'Come home, children of my love and inherit the kingdom of heaven, where the shadows flee and morning breaks in everlasting glory.'"

At the close of the sermon Dr. Ostrom asked the young people of the audience to stand, and as the choir sang "Shine! We Gather at the River" the Grandmother Alliance was given the aged people present. Again as the "Sweet Bye and Bye" rolled out over the audience, white handkerchiefs were flattered out in a beautiful salute.

It was a touching scene and many an eye was moist and many a father and mother who and gone before was lovingly remembered in that moment.

As the notes of the old song died away Dr. Ostrom asked the aged guests to rise and pass out into the aisles and "visit" with one another. (Continued on second page.)

SIXTEEN NEW MEMBERS OF LADY MACCABEES

Were Initiated at Special Meeting Last Night—Officers For Year Installed.

Sixteen new members were initiated at a special meeting of the Ladies of the Maccabees held last evening in Gold Follies hall. The large class of candidates was secured through the untiring work of Deputy Commander Miss Nellie Ginter who has been working in the interest of the order for the past several weeks. Several of the candidates were unable to be present last evening and will be initiated at a later meeting. The initiation work was carried out by Great Commander, Miss Nellie E. Lonsbury of Warren, Pa. Miss Lonsbury later in the evening gave a very fine address along the line of the work of the Maccabees. She highly commended the local Maccabees on the flourishing condition of their lodge.

The following officers were elected for the ensuing year: Commander, Miss Lucy Stillwagon; Record Keeper, Miss Gertrude Cypher; Lieutenant Commander, Miss Ada Leblinger; Chaplain, Miss Nora Bishop; Mistress of Arms, Alice Prentiss; Sergeant, Rebecca Cowgill; Finance Auditor, Jane Shank; Sentinel, Julia Mahoney; Picket, Mrs. Bellstein. The new commander will appoint her committee at the next meeting. The meeting last evening was largely attended and was one of the best held for some time. At the conclusion of the business meeting a social hour session was held and refreshments were served. It is probable that a public installation will be held and if not the new officers will be installed on the regular meeting night on the second Wednesday evening in January. Great Commander Miss Lonsbury will be the installing officer. A special meeting will be held next Tuesday evening at the home of Mrs. J. S. Ellard on Crawford avenue.

Before beginning his address Dr. Ostrom pointed out to his hearers that this meeting was not intended as an occasion for sadness or condolences, but was a time for rejoicing with the yearlong warriors of the faith gathered there.

"You are not here to be told of your declining years," said he, "nor of the setting sun." But that you are living the best days of your life. Old age is the crown of life.

BETTER SERVICE TO RESULT

Later Car at Night to Greensburg Will Be Outcome of Latest Move by the West Penn—Crews Given 60 Days to Secure Accommodations Here.

The population of Greater Connellsville will be increased by 20 or 30 families the first of the year when the crews and shopmen employed at Iron Bridge will be transferred to Greensburg and will be run out of Connellsville. Official announcement of this was made today by officials of the company. The order is effective within 60 days. Because of the difficulty that will likely be encountered in securing houses, the company has given the employees affected plenty of time to look for suitable quarters.

It was exclusively announced in The Courier some weeks ago that the company was considering this step but at the time the matter had not been definitely decided. A decision was reached and the official notification went out to the crews today.

With the possible exception of one or two crews, all the men running out of Iron Bridge will be transferred to Connellsville and will run out of the Greenwood barns. Two crews will be transferred to Greensburg. There will be later service to Greensburg at night.

The last car leaving Connellsville for Greensburg departs at 9:30. Under the new arrangement it is likely that one will leave at 10:30, arriving in Greensburg at midnight.

At present none of the main line crews is stationed at Greensburg and this has prevented late service to that city from the coke region. It was always necessary to have the last car leave Greensburg in time to reach the Iron Bridge station at midnight, or shortly after. With crews running into Greensburg as their terminal, later service can be arranged. The elimination of Iron Bridge as a crew terminal will expedite schedule making. When the change becomes effective Connellsville will be the only crew terminal between the actual terminals of the main line, Greensburg and Uniontown.

The crews affected by the order reside in Mt. Pleasant and Scottdale. The loss to these towns will be considerable.

WATER FAMINE CLOSES GREENSBURG SCHOOLS.

Board at Special Meeting Decide to Dismiss 2,500 Pupils Until Supply Improves.

Special to The Courier.
GREENSBURG, Dec. 10.—For lack of water to keep the buildings sanitary and warm the Greensburg borough schools have been compelled to close down and this morning twenty-five hundred pupils are on vacation. The School Board acted upon the serious situation at an adjourned meeting last night. Reports were submitted by the superintendent and by the chairman of the committees on sanitation and buildings, showing that the conditions in all the buildings demanded the immediate closing of the schools in order to protect the health and lives of the children. Everything possible had been done by the officers and the committees to get water to keep the engines going to supply heat and for cleaning purposes, but all efforts were in vain.

They will be kept closed until rains fill the reservoirs of the water company, or until the company furnishes water from some other source.

A mass meeting of citizens to protest against the service of the Westmoreland Water Company has been called for Monday evening.

Immigration Commission Ex-

This Country.

DATA IS UNUSUALLY COMPLETE

Report Says That Business Is Con-
ducted on Such a Basis That Cur-
rent Price of Girls in Chicago and
Other Cities Can Be Given.

United Press Telegram.
WASHINGTON, Dec. 18.—The
shocking story of the white slave traf-
fic is told today in the report of the
immigration commission transmitted to
congress today. The commission
has had agents investigating since
1907. It calls the traffic the "most
pitiful and revolting phase of the im-
migration question."

The report shows that the traffic is
on such a businesslike basis that the
commission is able to report the price
of French girls in Chicago at
\$200 to \$1,400. Japanese in Seattle
bring \$400 and \$500 each. Chinese
have brought as high as \$2,000 and
\$3,000 each.

The commission recommends closer
investigation at ports of entry and
changing the laws so as to deport
alien women of ill repute at any time
instead of within three years of their
arrival. Letters between agents are
embodied in the report showing dar-
ing, open bartering.

CHRISTMAS.

Connellsville Stores Are Filled With
Beautiful Things For Xmas Giving.

The time is at hand when you begin
to think about Christmas and what to
give and where to buy it. The stores
here are filled with pretty and useful
gifts and every citizen that has the
best interests of Connellsville at heart
should patronize our local merchants.
Connellsville money increases the
prosperity of Connellsville only when it
is spent in Connellsville. That's why
a savings account with the First
National Bank of Connellsville is a
wise Christmas gift. The child or
youth who receives it has an incentive
to save. The money remains at
home—is loaned to Connellsville peo-
ple and its safety is guaranteed by
the bank. It's a good thing, all round
—helps the child—helps the bank—
helps Connellsville. Savings Accounts
for Christmas gifts may be opened
with \$1 or more—4% interest.

TRIBUTE TO AGED AT BAPTIST CHURCH

(Continued from First Page.)
Again the music pealed forth as the
white-haired fathers and mothers
gathered in little groups, shook hands
and exchanged words of greeting.

The old faces lighted up, the years
were forgotten. Tears rolled down
many a wrinkled cheek, but they were
tears of joy.

Surely the committee of ladies who
had charge of this service deserve
the highest praise for the success of
their efforts. The expectations of
even the most optimistic were more
than realized when they saw the large
number of old people present. The
ladies certainly did lots of faithful
work. Undoubtedly they were richly
repaid as they saw the beaming faces
at the close of the service.

At the Baptist Church last night,
Evangelist Ostrom talked on the sub-
ject, "Ye Are Not Your Own." The
attendance at the services in both dis-
tricts was large, and the cold waves
seems only to stimulate interest in
the great campaign. Dr. Mahood in
the North District spoke on "The
Close At the Door," referring to the
passage about Jesus. "Behold I stand
at the door and knock; if any man
open unto me I will come in."

Dr. Mahood's subject at the Metho-
dist Episcopal Church was "Christ vs.
the World." He took his text from the
20th verse of the third chapter of the
Book of Revelations, "Behold I stand
at the door and knock; if any man
hear my voice and open the door I
will come in to him and sup with him
and he with me." He said: "Just as
we have various methods of announc-
ing our presence at the door of our
friends, so Christ has different meth-
ods of announcing his presence at the
door of our hearts. I suppose there
are some here tonight who have heard
the blessed Spirit knock so often that
we do not appear to hear him any
longer. When we refuse the invita-
tion given by the Church of the Living
God, we refuse the invitation of Jesus
Christ."

Luncheon for Debutante.
Daily appointments in red pre-
valled at a handsome 1 o'clock lun-
cheon at which Mrs. Henry P. Snyder
and Miss Jean R. Snyder were joint
hostesses yesterday afternoon at their
home on East Washington avenue.
In honor of Miss Marie Hood, a recent
debutante, and guest, Miss Elodie Blair
of New York City. Covers were laid
for 12. The table decorations were
notably pretty. A basket of red car-
nations interspersed with plumage
formed the center piece. The candles
burned at either end of the table were
capped with red silk shades, producing
a pretty effect. The place cards were
hand-drawn and adorned with na-
tural types of girls attired in red.
The conclusion of the luncheon was
very novel favors for each guest. At-
tached to each favor were red satin
ribbons extending to each place. At
the conclusion of the luncheon the
guests secured their favors by draw-
ing the ribbon.

This afternoon Mrs. Snyder and Miss
Snyder are entertained by Miss Elodie
Blair at a bridge in honor of Miss Elodie
Blair, a bride elect. Mrs. James M. Horeland
of McKeesport, the guest of Mrs. Syn-
der, is an out of town guest present.

Evening at Cards.
The South Side Bridge Club was
pleasantly entertained last evening by
Mrs. W. D. McFarland at their
home on East Washington avenue.
Four tables were called into play dur-
ing the evening and at the close of
the games the prizes were awarded
to Mrs. J. L. Gans and Dr. L. S. Hyatt.
A well appointed luncheon was served
at midnight. The next meeting will be
held at the home of Mrs. W. D. McFarland
at the home of Mr. and Mrs. Robert
Norris on South Pittsburgh street.
December Wedding.

Invitations have been received here
for the marriage of Miss Mildred
Kathryn Burdick and Clara Agnew Por-
ter to be solemnized Wednesday, De-

during the holidays was indefinitely
postponed.

Prisoners Meet.
The regular meeting of the Prison-
ers was held yesterday afternoon in
the Moore Hall. There was a good
attendance and two new applications
for membership were received. The
annual election of officers will take
place at the next regular meeting to
be held Thursday afternoon, January
25.

Veterans Meet Officers.
Officers for the ensuing year will be
elected at the regular meeting of Wil-
liam F. Kutz Post, No. 101, G. A. R., to
be held this evening in the Municipal
building. A large attendance is de-
sired.

Mrs. Evans Hostess.
Mrs. I. L. Evans was hostess at a
pleasantly appointed 6 o'clock dinner last

evening at her home on Johnston ave-
nue. Covers were laid for ten. A color
scheme of red and green was elegantly
carried out with red and green cloth-
ing the pretty centerpiece. Five hun-
dred followed.

Silver Medal Contest.
The Scottish W. C. T. U. will hold
a silver medal contest this evening in
the Scottish Methodist Episcopal
Church. A number of local W. C. T. U.
workers will attend.

P. H. C. Will Host Officers.
The annual election of officers will
take place this evening at the regu-
lar meeting of the Protected Home Cir-
cle to be held in the Moore Hall.

DEATHS.

Miss Anna Malley.
DUNBAR, Dec. 18.—Miss Anna Mal-
ley died Friday morning at 7:30 of
complication of diseases after a long
illness of three years. Miss Malley
was the daughter of the late Charles
Malley and Mary Malley of this place.
She was born April 21, 1861, at Charles-
burg, W. Va., and when small her pa-
rents moved to this place where she
has since resided. Miss Malley has
been confined to her bed for the past
12 weeks and during all her suffering
was never heard to complain, always

cheerful and glad to share those
about her. Miss Malley was a mem-
ber of St. Anthony's Catholic Church
and was an earnest worker in the church
until her sickness prevented her. Her
sister, Mrs. Mary Malley, is survived by
the following brothers and sisters:
Miss Della and Patrick, at home; Mrs.
Patrick Connell of this place; Mrs.
Mary Laing of Newburgh, N. Y.; Mrs.
John and Charles Malley of Bradock.
The funeral will be held Monday
morning at 9 o'clock from St. An-
thony's Catholic Church. Burial in
St. Anthony's cemetery.

Rev. C. M. Watson officiated at the
funeral of the late Charles W. Norton
which took place this afternoon at 2
o'clock from the residence of his wife,
Mrs. P. T. Norton, on East Main street.
The pallbearers were Eugene Bishop,
Richard Wile, C. H. Schwab, Frank
Kendy, Thomas Edmonds and Fred Pris-
tary. Interment in Hill Grove cem-
tery.

"BILLY" EARLE IS ON A NEW JOB.

The Former Scottdale Team Manager Goes to Battle Creek.

LOCAL MEN WIN POULTRY PRIZES

Falk Suit and Coal Block Sells For \$4,350—Mitten-Gabriel and Shields. Leisure Marriages Interesting Ones of the Week.

SCOTSDALE, Dec. 10.—Billy Earle, the "globe trotter" who used to be manager of the Scottdale baseball team in the West Penn League, won the Ellsworth pack diamond was laid out and the place made ready for general athletic sports, has a new job according to advice from Pittsburgh. "Billy" has taken charge of the Battle Creek club in the Michigan league.

Bought the Falk Suit. There was a large attendance at the receiver's sale of the clock and suit case of Jacob Falk, bankrupt, in the New Scottdale House building yesterday afternoon. It was announced at the beginning of the sale that a certified check or cash for \$350 should be put up by everyone who desired to bid, although the advertisement of the sale stated that 25 per cent of the successful bid paid at time of sale were the terms. There was about \$1,000 altogether posted as bids. The bidding was rather spirited, and the clock, with certain reservations as to jewelry, a cashiers' desk, a sewing machine, and a few other articles, finally went to J. A. Allen of Pittsburgh for \$4,350. The free rent of the room until December 31 went with the sale. Application was to be made this morning at 10 o'clock in the United States District Court at Pittsburgh for the confirmation of the sale.

Defendants Were Discharged. In the case of A. T. Martynowski charging James Webb and Charles Killinger with the robbery of two turkeys and four target rifles from a Pittsburgh street shooting gallery early last month, the plaintiff did not appear between 2 and 1 o'clock yesterday afternoon and Justice of the Peace John C. Steiner discharged the defendants after waiting till five minutes after four. The costs were placed on the prosecutor. He appeared at 1:35 and said that he had been hunting a witness, but had not the time to notify the Justice and ask for a continuance.

Shields-Leasure Marriage. The marriage of Harold V. Shields of Greensburg and Miss Corn Leasure, a daughter of Mr. and Mrs. George Leasure of Altoona, was solemnized at the home of the bride's parents on Wednesday afternoon, Rev. Archibald Auld officiating. J. L. Shields, a brother of the groom, was best man, and Miss Ole Leasure, a sister of the bride, was maid of honor. After a wedding trip they will live at Greensburg.

Married at Weston. Mr. and Mrs. Walter Allen have returned from their wedding trip and are now visiting the home of the bride's parents, Rev. and Mrs. H. W. Miller. The bride was Miss Charlotte Gabriel, a popular young woman of Cincinnati, who has lived in Scottdale for some time. The couple were married at Weston, W. Va., and then went on a visit to the bride's parents. Mr. and Mrs. W. F. Gabriel of Cincinnati. They will live at Mt. Pleasant, where his groom is employed in the Morewood offices of the H. C. Frick Coke Company.

Shooting Match Saturday. There will be a shooting match for chickens and turkeys held by a number of Scottdale people and shooters from other places on Saturday. The powder burning will begin at 1 o'clock at the grounds near the Brownstown woods and promise some fine sport.

"College Singing Girls." The single-admission seat sale for "The College Singing Girls" which appear in the Y. M. C. A. lecture course, at Rogers opera house, Monday evening is heavy today at Barker's as this company is widely known for their superb entertainment.

Elks Smoker Given. The lecture by H. R. Wiggins, a former Scottdale man, now engaged in engineering work for the United States government on the Isthmus of Panama, was a star feature of the Elks' smoker given at Scottdale last night. Mr. Wiggins is a member of the Scottdale lodge and is a talker that gave a very interesting description of the conditions about the big ditch that is being put through the Canal Zone.

Advances Sale of Seats. For Eugene Walter's great play "The Wolf" at the Colonial theatre next Wednesday evening, Dec. 15th, opens tomorrow morning at Thomas & Brown's etc., West Main street. Both phones.

Get Free Coal. When the hopper of a freight car loaded with coal let go and belched out a lot of the load along the tracks of the Pennsylvania railroad at Hawk eye the other evening, there was a big rush of people from a great distance to benefit by the outpouring of coal. In sacks, buckets, baskets and every way conceivable they carried away coal, which comes in very providentially with the cold weather.

Tonsiline Cures Sore Throat

The throat is one of the most delicate parts of the body. It is also one of the most important, and should be given the best possible care. The throat is the gateway to the body. The air we breathe, the food we eat, the fluids we drink, all pass through it. It is very easily affected by cold, strain, exposure, etc., and Sore Throat is therefore one of our most common ailments. Strangely enough, it is also one of the most neglected.

Sore Throat is a very serious matter. For the whole system is in danger in consequence of it.

Every Sore Throat patient is a candidate for Tonsiline, Quinsy, Diphtheria and other serious or fatal diseases, all of which can be prevented by the timely use of Tonsiline. If taken in time a dose of two will do it. Tonsiline is made to cure throat diseases and nothing else. It is the only remedy for this purpose sold largely in the United States. Every user endorses it every physician, knowing its virtues commends it.

The one most important thing to remember about Tonsiline is the fact that it really does cure Sore Throat. All druggists, 5c and 10c bottles. The Tonsiline Co., Canton, Ohio.

MEYERSDALE.

MEYERSDALE, Dec. 10.—J. M. Mortland of Dawson, deputy collector of internal revenue, was here last evening looking after business pertaining to his office.

S. S. Ream of Lavanville, spent yesterday here with friends.

A. G. Blough of Somerset, was here on business yesterday.

The festivities attending the fourth annual banquet and home-warming of the Meyersdale Club Department are progressing at their social rooms were interrupted about 9 o'clock by the sending in of a "red" fire alarm.

The band had played several selections and the "choy" with their guests were about ready to partake of the feast of good things, as well as of reason, when the new alarm rang out.

The only thing left for the "choy" to do was to rush up stairs and man the cars and dash away to the South Side, the alarm being a false one.

The fire was soon extinguished without damage. Returning, the banquet was continued and a pleasant evening was enjoyed notwithstanding the slight interruption not down on the program.

Counting not in regular session Tuesday night with all members present. Complaint was made by Cyrus Forney of parties throwing stones and breaking window panes in his father's home on Saturday street. This has continued since (Saturday) at intervals during the evening and morning, until now there has been a total of over 100 panes of glass broken. The police have not been able to locate the guilty parties, but were requested by Council to redouble their energies and watchfulness in the hope of finally being enabled to capture them and put an end to the nuisance.

H. H. Williams, J. C. McCarthy and Robert Miller, composing a committee of the club, looking up the matter and requested that the ordinances of the borough be printed in pamphlet form and this will in all probability be done in the near future.

A petition to the court was drawn up and properly executed asking for the removal of the nuisance. It was signed by a number of the residents of the borough and is now on file in the court house.

WRIGHT-METZLER CO.

An Old Landmark Is to Go; M. E. Cemetery at Uniontown.

UNIONTOWN, Dec. 10.—A petition will be presented to court as soon as a few preliminary matters can be arranged with a view to removing another landmark from the county seat. This time it is the old Methodist Episcopal Cemetery at the corner of Arch and West Peter streets, which for nearly a century was a favorite burial spot for the members of that faith in this community. The plot comprises about an acre and a half and is in the heart of the town, almost immediately in the rear of the First National Bank building. On account of the location it has become very valuable for building purposes and some fancy offers have been made within recent years. Many of the pioneer settlers of the Methodist faith were laid to rest here but their bones will ere long be tenderly gathered together and taken to a suitable place on the outskirts of town where they will again be interred. The descendants of many will take charge of the remains and take them to a place of their own choosing but most of the 450 bodies will be left to the disposition of the committee appointed to look after the work of removal.

Adjacent to this old cemetery was a brick church which was built in 1833 and which was but recently replaced by an automobile garage. Before this building was erected a small log structure served the little band of worshippers which formed the nucleus of the present congregation of more than 800 members. The present church on Morgantown street was dedicated in the sixties. The congregation has entirely outgrown this edifice and a movement has been started with a view to putting up a building commensurate with the number and wealth of the congregation. The official board is composed of many of the most prominent business and professional men of the town.

The pastor of the congregation is Dr. J. H. Risk, formerly of the Conneltsville congregation. He has added largely to the membership since coming here two years ago. Dr. H. L. Chapman is pastor emeritus. He was in charge of the congregation when the present church was dedicated nearly a century ago.

Ralph Sealia, the well known decorator and artist, has had Attorneys Robinson, McKean & Martin issue execution against the Summit Hotel Company to recover \$1,178, with interest from June 25, 1908. Sealia recently entered suit against the Summit corporation and soon thereafter secured judgment for want of an appearance or affidavit of defense. He claims in the papers on file that he was employed in April, 1908, to decorate the interior of the hotel and that he was to receive board for himself and hands while the work was in

course of progress. The contract was completed some time in June following and consisted in the completion of 41 bed rooms, 20 bath rooms, parlors, halls dining room and other apartments.

ONE LESS BALD HEAD.

If You Are Losing Your Hair Read This Interesting Letter.

Gironx Mfg., Buffalo, N. Y.
Dear Sirs:—I was told of your great remedy, Parisian Sage, that it would grow hair on bald heads, so I got a bottle and tried it and it is fine. I am a young man and only twenty-five, and was completely bald on the top of my head and now I have hair one inch long with the use of one bottle. I only wish I could have shown you my photo before the hair started to grow and how it is now. I shall certainly keep on using it until I have a good head of hair, which I have no doubt it will bring. Oscar Armstrong, Engineer, Belleville Horse Shoe & Rolling Mill Co., Belleville, Ont., Aug. 21, 1903.

To every reader of The Courier the American makers of Parisian Sage wish to emphatically state that they do not guarantee Parisian Sage to grow hair on bald heads, because in the great majority of cases the hair roots are absolutely dead and not even the wonderful virtue of Parisian Sage can resurrect them.

Mr. Armstrong started to use Parisian Sage in time before the hair root was entirely dead and in such a case there is no god reason why Parisian Sage should not restore his hair.

A. A. Clarke guarantees Parisian Sage to remove every trace of dandruff, stop falling hair and itching scalp in two weeks or money back, but he does not guarantee it to grow hair on bald heads.

Sold by leading druggists all over America and in Conneltsville by A. A. Clarke. Large bottle 50 cents.

FIRE NARROW BERLIN.

Building at McDonaldton Is Burned to the Ground.

BERLIN, Dec. 9.—Fire during the night burned a one story frame building at McDonaldton to the ground. The building was owned by Dr. Murray, a former practitioner of that place, and was occupied by Harry Schrock of town, who conducted a restaurant and pool room in the building. It is not known how the fire originated and when it was discovered it had gained such headway nothing could be saved. There was a strong wind going and the fire burned fiercely. There was no insurance.
